## MAGS FAMILY

The Mags sofa family is an elegant series that combines maximum comfort, minimum details and optimal flexibility in a timeless design. The low, welcoming frame has a distinctly lounge feel, reinforced by the deep seats and solid armrests. Based around a solid construction with durable, high-density foam and interior padding, the collection comprises the pared-back Mags sofa and the more fluid, relaxed Mags Soft Sofa, which has an added layer of down padding for extra softness. The Mags Soft series also comes with high or low armrests to create a more informal, open space. All sofa variants are available in a wide range of functional modular units, meaning the sofa can be fully customised with chaise longue, corner modules or additional seats to suit any room or purpose, while the numerous high-quality upholstery options allow the sofa to find its own personality.

PRODUCT FACT SHEET

## MAGS SOFT LOW

DESIGN BY HAY, 2018

Rounded edges and soft cushions create a milder, relaxed tone with the Mags Soft Sofa with low armrest.

The low frame has a distinctly lounge feel, reinforced by the deep seats and low armrests, which are lower than the back, resulting in a more open, welcoming space. The wide range of functional modular units mean the sofa can be fully customised with chaise longue, corner modules or additional seats to suit any room or purpose, while the numerous high quality upholstery options allow the sofa to find its own personality.
